MODERNA ELEGANTE COMPLETA / MODERN ELEGANT COMPLETE

Le note più insolite e accattivanti della Pietra di Borgogna sono racchiuse in Buxstone. Una collezione che si caratterizza per l'**altissimo valore tecnico ed estetico** e che, grazie alla completezza di gamma in termini di colori, formati e spessori, risulta il progetto **ideale per ogni soluzione d'impiego**. Particolarmente innovativa è la superficie Wellness R10 B creata per tutti quegli ambienti interni ad elevato rischio di scivolosità. Disponibile, inoltre, una versione Anticata rivolta alle pavimentazioni in esterno nel duplice spessore 9 e 20 mm. Un ulteriore valore aggiunto è dato dalla presenza della protezione antibatterica Microban.

The most charming and unusual notes of Pietra di Borgogna are to be found in Buxstone. A collection defined by **the utmost aesthetical and technical value**, it becomes **the ideal project for any design solution**, thanks to the broad range of colors, sizes and thicknesses. Among these, the Wellness R10 B results as the most innovative surface, specifically designed for those indoors environment needing high COF performances. An Anticata version is also available for all outdoors application, in both 9 and 20 mm thicknesses. A further added value is given by the addition of the Microban anti-bacterial protection.

Buxstone schließt die ungewöhnlichsten und faszinierendsten Nuancen des Natursteins "Borgogna stein" ein. Die Kollektion zeichnet sich durch einen **sehr hohen technischen und ästhetischen Gehalt** aus und ist dank der Vollständigkeit der Reihe im Hinblick auf Farben, Formate und Stärken die **ideale Lösung für alle Anwendungsbereiche**. Besonders innovativ ist die Oberfläche Wellness R10 B, die für alle Innenbereiche mit hoher Rutschgefahr geschaffen wurde. Ferner ist eine antikatisierte Ausführung für Außenfußböden in den beiden Stärken 9 und 20 mm erhältlich. Einen weiteren Mehrwert stellt der antibakterielle Schutz Microban dar.

Les note les plus insolites et captivantes de la Pierre de Bourgogne sont obtenues avec Buxstone. Une collection qui se caractérise par la très **haute valeur technique et esthétique** et que, grâce à la gamme complète au niveau de couleurs, formats et épaisseurs, se révèle le projet **idéal pour chaque solution d'utilisation**. Particulièrement innovatrice résulte la surface Wellness R10 B créée pour l'intérieurs qui présentent un haut risque de glissement. En autre est disponible une version Anticata avec un double épaisseur de 9 ou 20 mm et idéale pour l'extérieurs. Une ultérieure valeur ajoutée est donné par la présence de la protection antibactérienne Microban.

Las notas más insólitas y cautivadoras de la Pietra di Borgogna se encierran en Buxstone. Una colección que se caracteriza por un **altísimo valor técnico y estético** y que, gracias a una gama sumamente completa en términos de colores, formatos y espesores, resulta ser el proyecto **ideal para cualquier exigencia de uso**.
