Последним достижением IBERO® стало получение лицензии на комплексное природопользование, которая свидетельствует о том, что наша компания является одним из производителей керамической плитки, которые берут на себя серьезные обязательства по выполнению норм охраны окружающей среды.

IBERO® по праву получила данную лицензию, так как использует в процессе производства лучшие технологии и все возможные методы сокращения загрязняющих атмосферу и недра выбросов. В лицензии на комплексное природопользование устанавливаются все экологические требования к работе производственных мощностей и оговариваются максимальные количества выбросов загрязняющих веществ, требующие использования самых передовых современных технологий.

Требования лицензии к охране окружающей среды очень жестки, но IBERO® выполняет их в полном объеме.

IBERO® предлагает своим клиентам полнейший ассортимент керамических изделий – настенного и напольного кафеля и керамогранита, обладающих качеством и дизайном, которого они, безусловно, заслуживают, и произведенных с использованием лучших технологий, всегда обеспечивающих безоговорочную заботу об окружающей среде.
